About Apex Ed

Apex Ed is a premier boutique college that offers internationally recognised programmes up to the postgraduate level enabling students worldwide to access quality education. The programmes range from Business to Education, Tourism, Hospitality, Logistics, Project Management, IT, Computer Science and Law. Apex Ed's approach to education equips students with the knowledge and skills necessary to succeed in their chosen field and helps them develop critical thinking, problem-solving, and leadership abilities needed to succeed in today's fast-paced work environment. Our prestigious alumni network consists of thousands of graduates from around the world, working for Fortune Global 500 companies, providing unparalleled networking opportunities for prospective students.

Our dedicated faculty and staff are committed to helping students reach their full potential, providing personalised attention, support, and guidance throughout their time at Apex Ed. With state-of-the-art facilities, a robust student support services programme, and a thriving student life and community, Apex Ed offers a well-rounded educational experience that prepares them for success in the classroom and beyond.

In addition to a highly qualified academic team, we ensure that our partner industry experts and leading professionals advise our students on workplace requirements beyond their acquired knowledge in the classrooms. Venture into new territories, embrace challenges and chart a new path towards success with Apex Ed.

Our History

Apex has been a leader in the educational sector for over a decade with the launch of English Metro, an award-winning platform developed in Montreal, Canada. The founders have been at the forefront of technology and innovation, bringing quality education to students worldwide.

Our Motto

Apex Ed's motto "VIIS NOVIS" is a Latin phrase that encapsulates the organisation's commitment to innovation, creativity, and adaptability in the field of education. The phrase can be translated to mean "with new paths" or "through new ways," reflecting Apex Ed's belief in the power of exploring uncharted territory and embracing new opportunities in pursuit of educational excellence.

Our Mission

Our mission is to empower students, help them excel academically, and be their trusted partner in education. We aim to provide high-quality education that is affordable and accessible, ultimately democratising education via technology and making knowledge available to all.

Our Vision

Our vision is to make education accessible, affordable, and effective. Through our platform, we're determined to transform lives and empower students with the knowledge and skills they need in an ever-changing world.

Dean's Message

Prof. Karl F. Buchler

At Apex Ed, we are driven by our core values, respect diversity and strive for excellence. The team aims to provide students with a profoundly transformative experience and helps them progress academically. I am proud of the exceptional educational experience we offer at Apex Ed. Our students receive personalised attention, support, and guidance to reach their full potential. I encourage you to explore our academic programmes and learn more about the many opportunities available here at Apex Ed.

We offer a range of extracurricular activities and opportunities for our students to get involved in their communities. Whether through volunteering, internships, or study abroad programmes, our students have the chance to develop new skills, build their resumes, and broaden their horizons. These experiences enhance our students' personal growth and give them a competitive advantage in their careers.

Education is a lifelong pursuit, and our commitment to our students does not end with graduation. We offer a range of alumni services and resources, including career coaching, networking events, and continuing education opportunities. We believe that our graduates are our greatest ambassadors and that their success reflects the quality of education we provide. I welcome you all to Apex Ed and look forward to seeing you excel and succeed in your academic journey
