POST GRADUATE DIPLOMA IN RISK MANAGEMENT

Overview

The Level 7 Diploma in Risk Management is a specialized program that provides students with advanced knowledge and skills in managing risks within organizations. This course covers topics such as risk identification, assessment, mitigation, and monitoring. Students will learn to develop risk management frameworks, implement risk management strategies, and make informed decisions to protect organizations from potential threats. The program emphasizes the importance of risk governance, compliance, and the integration of risk management into organizational processes. Graduates will be equipped to lead risk management initiatives, drive risk culture, and effectively manage risks across various sectors, making them valuable assets in risk management roles within organizations.

Duration

The qualification is designed to be delivered over one academic year for full-time study, but it is also flexible in its delivery in order to accommodate part-time and distance learning.

Qualification Structure

The OTHM Level 7 Diploma in Risk Management consists of 6 mandatory units for a combined total of 120 credits, 1200 hours Total Qualification Time (TQT) and 600 Guided Learning Hours (GLH) for the completed qualification

Entry Requirements

- Be 18 years or older at the beginning of the course; or
- Be mature learners with relevant management experience (learners must check with the delivery center regarding this experience prior to registering for the programme)
- If a learner is not from a majority English-speaking country must provide evidence of English language competency. For more information visit the English Language Expectations page on this website.
